

ICNM BEST CASE PRESENTATION

Participants have to send the interesting case where Nuclear Medicine impacted the management in the powerpoint format for consideration.

Final diagnosis must be available in the case.

6 best cases will be selected from the received entries by ICNM panel of Judges and those 6 cases have to be presented by participants on 5th December 2024 in the ICNM CME during SNMICON 2024. If less than 6 entries will be received, only cases selected by the Judges will get chance to present during the conference.

3 out of 6 cases will be given 1st, 2nd and 3rd Best Case Presentation Award with cash prizes.

Residents should submit detailed workup like case history, clinical examination, lab investigation, high resolution images, final diagnosis and other salient points related to case. Each case presenter will get 10-15 minutes time for presentation

Who Can Participate?

- Only Junior resident/PG students or Senior Resident

Last Date

**OCT
31**

Case must be sent to email: secretaryicnm22@gmail.com with a subject line "Case Presentation"
